Mozart Gabriel arose from the waters of Taos Pueblo & Red Rocks of the Navajo Tohjiilee. From a village of powerful traditional singers, the red willow tribe gave him his name Mozart at Birth. His travels brought him later to Nashville TN where he made a career in music videos for the local independent artists. It soon brought him to Barcelona to craft his sounds, with many musicians and many projects featuring Liam Cloud. Soon after The Vicious Strikes were formed to rock the underground scene!

## BRAND PITCH DECK

#### Cross Promotional Partner:

A cross promotional partnership is the suggested option for brands who have equal social reach and/or existing promotional budget. Under the cross partnership, the brand and artist agree to equally cross promote each other through shoutouts, takeovers, crossposting, etc. to executing the agreed upon promotional strategy.

#### Product Partner:

In cases where a partner has a physical product that aligns with the artist's aesthetic, the product partner can have their product featured in a promotional giveaway (either physical or digital,) promoted during an event, and/or exchange product with the artist to execute the agreed upon promotional strategy.

### Artist Sponsor/Marketing Partner:

When a brand becomes an artist sponsor, they will endorse the artist's full release campaign. They are included on all content & events and contribute financial assets towards the marketing agenda for the campaign.
