Stacey Kelleher

Biography

Sharing empathetic messages of understanding in her music, Stacey Kelleher writes songs that make one thing clear: she's still figuring life out, and that's okay.
With catchy melodies reminiscent of LANY and Maggie Rogers, emotive lyrics like Phoebe Bridgers', and quirky indie-pop production similar to Holly Humberstone's, Kelleher has cultivated her unique sound - a young woman working hard and keeping it real.

Partnership Expectations

Shared Partnership

A shared partnership is the suggested option for brands who have equal social reach and/or existing promotional budget. Under the shared partnership the brands will equally split the expenses incurred by the partnership and all parties will commit to executing the agreed upon promotional strategy.

Coverage Partnership

In cases where one partner has a significantly larger reach or existing promotional budget the lesser of the partners will cover a portion of the expenses incurred from the partnership not exceeding the agreed upon amount at the start of the partnership.

Monthly Stipend

Brands who wish to maintain a constant presence with their partners may structure their partnership with a monthly contribution of funds, goods or services.
